## LIBRARY

The JIBC Library offers research assistance and access to a unique and specialized collection of books, journals and online sources, all focused on the programs offered here. The Library catalogue and other online resources may be searched while on-site from a JIBC campus online from other locations.

JIBC librarians are available to help locate information on subjects taught at JIBC and to assist students with a variety of academic and research skills, such as locating the most current journal articles or citing sources correctly. Computers available for student use in the Library all have Microsoft Office, Internet access, and a wireless network is available campus-wide. Laptops and iPads are available to certificate, diploma or degree program students for short-term loan.
