GENERAL DVDs

D980 **In a Flash: The Consequences of Youth Firesetting** (DVD, 12 minutes)
The aim of this video is to show the dangers of fire and to expose young people to the tragic consequences of setting fires. The central message is if you play with fire, you will get burned. (Fire Safety Media) (HV 6638 I54 2003)

AUDIOVISUAL MATERIALS

D877 **Complete Juvenile Firesetting DVD Library** (DVD, 68 minutes)
The disc contains six programs designed to help reach out to kids at risk for firesetting. The companion booklet contains lesson plans, video scripts, community intervention materials, as well as online resources available. (Idea Bank) (HV 6638 J884 2006)
Programs Included: *In their own words* (1998) (12 min.) -- *Four years after* (2002) (8 min.) -- *Child firesetting & juvenile arson* (1998) (10 min.) -- *Interviewing kids at risk* (1998) (10 min.) -- *Making good choices* (2006) (12 min.) -- *Family focus* (2006) (16 min.)

- V052 **Fire at Their Fingertips** (video, 30 minutes)
Discusses characteristics of juvenile firestarters, as well as programs and techniques that have been used to counteract this problem. (Government Employees Insurance Co.) (HV 6638 F577 1984)
- V056 **The Firehawk Program** (video, 11 minutes)
Describes a Firehawk program for counseling juvenile firesetters, and shows how to start one. Includes interviews with firefighters, juvenile firesetters, their mothers, and mental health specialists. (Allstate Insurance Co.) (HV 6638 F576 1985)
- V1262 **Fireproof Children** (video, 21 minutes)
This video is an introduction to the problem of child firesetting that presents a proven model for intervention. It covers the size of the problem, the profiles of the children involved, the structure and operation of a fire department program, the recognition of juvenile involvement, responses to the children and their families, and how to gain community support. (Fire Engineering Books & Videos) (HV 6638 F5734 1995)
- D587 **In an Instant: Fire Injury Prevention** (DVD, 39 minutes)
Depicts the trauma burn unit of a major medical center where medical personnel work to save and treat victims of burn injuries. Young burn survivors describe the painful process of healing, treatment, therapy, and learn how one simple mistake can lead to a lifetime of pain, disability and disfigurement. The primary lesson is a simple one: the only true remedy for burn injury is prevention. (Harder Productions) (RD 96.4 I52 2003)
- V913 **The Jamie Fort Story** (video, 30 minutes)
This is a story of a young girl who gets badly burned in a fire that leaves her very disfigured. This story shows how we can succeed against great odds with hard work, determination, and a positive attitude. (RD 96.4 J244 1988)
- V683 **Just a Firecracker** (video, 9 minutes)
Through interviews with hospital emergency staff and the parents of a four-year-old victim of a firecracker accident, this video graphically refutes the notion that firecrackers are harmless toys. (TP 300 J884 1990)
- V334 **Juvenile Firesetter Program Public Service Announcement (Generic Version)**
(video, 1 minute)
These are generic public service announcements produced by the Portland Fire Bureau for their Juvenile Firesetter Program. They can be adapted for use by any fire department, and come in 30 second, 20 second and 10 second versions. (Portland Fire Bureau) (HV 6638 J884 1987)
- V1855 **Marked by Fire** (video, 22 minutes)
A documentary for junior high and high school students that tells the story of two fires, one caused by arson and one of unknown origin, and the lives that were forever changed by them. The first story focuses on the young arsonist and how his life has been changed by being convicted of a felony and spending time in jail. The second resulted in a young man being burned over 2/3 of his body -- shows his burns and explains the treatment; shows the scars he must live with. (Insurance Federation of Minnesota) (HV 6638 M274 1996)
