GENERAL DVDs

- D1711 **Simulations: A Safe Place to Make Mistakes** (DVD, 12 minutes)
Demonstrates the use of simulations as learning tools. The role of “sims” in providing authentic training experiences with minimal risk and maximum safety is highlighted. The program covers planning, running and debriefing for simulations and is designed for cross-discipline trainers of trainers, instructors and curriculum developers intending to incorporate real-life simulations in their work and teaching. (Justice Institute of British Columbia, Paramedic Academy) (LB 1029 S53 S547 1998)
