WORKPLACE VIOLENCE

GENERAL DVDs

D097 Containing Workplace Violence in Corrections (DVD, 29 minutes)
The purpose of this program and training guide is to make corrections staff more aware of the problem of workplace violence in the correctional environment. Specifically, this addresses conflict between staff members, which might involve threats, harassment, intimidation, property damage, assaults, and the like. (Lockup USA) (HV 8763 C658 2000)

D1401 Diffusing Hostility Through Customer Service (DVD, 25 minutes)
Using dramatic scenarios followed by commentary, examines conflict in the workplace, focusing on customer service situations. Topics include: avoiding defensiveness and escalation, setting limits on verbal abuse, and physical threats. (New Vision Media Ltd.) (HD 42 D534 1994)

D1853 Drawing the Line (DVD, 30 minutes)
Provides viewers with critical skills on assessing and diffusing aggression on the job. Also offers ideas for discussion and problem solving. Shows a variety of work situations in which patients display aggressive behaviour toward health care staff. The program focuses on prevention, communication skills, intervention strategies, and follow-up meetings on abusive incidents. Follow-up meetings review the incident and evaluate ways to reduce future risk. Acute care and community care settings are illustrated. Includes Facilitator's guide, Set-up and operations manual for Emergency Response Teams (ERT), Program development manual for Critical Incident Stress Management (CISM) and Policies & procedures guidelines. (B.C. Health Association) (RT 86.3 D724 1993)

D1848 Managing Aggressive Behaviour (DVD, 10 minutes)
This video shows how to use non-harmful physical control strategies in a hospital environment. These strategies use body mechanics, leverage and surprise to control potentially violent patients. (Health Association of B.C.) (RT 86.3 M253 1990)
