

Emergency Management Certificate Program

Complete this applied certificate entirely online in just a few months!

Use the below schedule as a guide towards expediting your completion of the certificate program while tracking your progress!

View the full [2020/2021 course schedule](#) to view the full list of courses we offer within the certificate programs and to help support your academic planning.

(Any courses you have already taken that are part of the certificate will be applied to it, no need to redo them.)

The accelerated schedule for the Emergency Management Certificate allows you to expedite your completion of the program as quickly as possible, within approximately 4 months. You are not obligated to commit to one set pathway through the program. The format of the program is extremely flexible allowing you to mix and match which courses you would like to take and when. The accelerated schedule is designed to help support your momentum and effort to finish the program promptly.

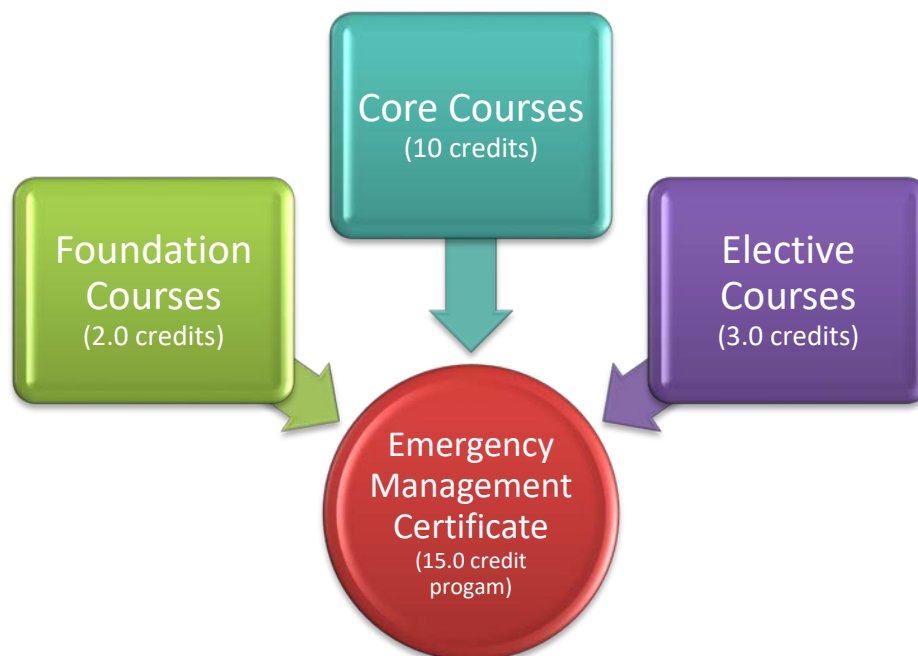

Where to Start?

Apply to the program! Details below:

Then?

Start enrolling into your courses at your own pace and convenience. You will gain access to your course through your www.myjibc.ca account on the day the course starts

(Start with the foundation courses as they serve as prerequisites for other courses in the program)

Sample Accelerated Completion Path

Applying to the Program!

Applications for the Emergency Management Certificate Program are accepted continuously throughout the year, so students can **apply at any time – even after you’ve started taking courses!** Applying is easy!

1. Complete the [JIBC's online application form](https://www.jibc.ca/student-services/jibc-application-form) - <https://www.jibc.ca/student-services/jibc-application-form>
2. Email our Admissions office a 250 word letter of intent describing why you are interested in the certificate program (admissions@jibc.ca)
3. Contact our Admissions office to pay the \$75.00 application fee (admission@jibc.ca)

Mature students, 21 or older, are considered a mature student and do not need to submit transcripts.

Online Course Formats

Self-paced online courses can be completed on your own time within the start and end date of a course. Students have 24/7 access to the online course and all requirements need to be completed prior to the end date.

Instructor-Led Guided Online courses are facilitated by an instructor and require weekly participation. Such activities may include active engagement in discussion boards, reading of articles and case studies, sharing your ideas and perspectives, etc.
