

RESEARCH ETHICS: REQUEST FOR RECONSIDERATION

If informal discussions with the Chair, REB and the REB do not lead to a resolution, you may initiate a formal Request for Reconsideration.

Please complete this form, attach supporting documents, and email this form and all documents to: appliedresearch@jibc.ca.

Project Information	
Project Title	Name of Applicant
Email Address	Telephone Number
Date Submitted to JIBC REB	Date of Notice of Decision
Summary of project (maximum 250 words)	

The *Notice of Appeal* must include:

- A copy of the decision by the REB;
- Your reason(s) for challenging the decision of the REB based on:
 - the criteria for ethical review;
 - patently unreasonable decisions based on material fact; or
 - want of procedural fairness in the ethical review process;
- the resolution being sought; and
- any additional relevant information, not previously submitted, that would help the REB understand the matter at issue.
