**Justice Institute of British Columbia:**

The Justice Institute of British Columbia (JIBC) is a public, post-secondary institution that provides education and training to those who'll be there to support British Columbians and others around the world, when a life is at stake or when health, safety or property is in jeopardy. Work for JIBC and be a part of the big picture – supporting justice and public safety professionals at all stages of their careers in fields including law enforcement, firefighting, paramedicine, security and emergency management.

As a JIBC employee you'll play a role in our educational programming, which also includes complementary and related areas of study – from conflict resolution, mediation, leadership and counselling, to cybersecurity, business intelligence, and tactical criminal analysis – as well as applied research in the justice and public safety fields. Join our team and help us prepare JIBC graduates to contribute to safer communities and a more just society.

**Health Sciences Division (HSD):**

HSD trains first responders, emergency medical responders and paramedics, and regulatory practitioners in Canada and internationally. The Centre for Professional Health Education provides professional development and continuing education programs and courses.
