LEARNING THAT TAKES YOU BEYOND

We respectfully acknowledge the
Justice Institute of British Columbia's
New Westminster campus is located on the unceded
Traditional Territories of the
Qayqayt, Musqueam and
Coast Salish Peoples.

O Canada

O Canada! Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada

O Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée,
Des plus brillants exploits!
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

EAGLE & SUN WELCOME POST

The meaning of this Welcome Post is to provide guidance, strength, protection, and warmth to all staff, faculty, students, recruits, and visitors of the Justice Institute of British Columbia (JIBC).

The Sun signifies warmth cast over the campus to provide comfort and guidance to students and recruits during their journey with JIBC.

The Eagle signifies protection, strength, and guidance for students and recruits as they strive towards a successful career path.

The Welcome Post was installed on June 17, 2021. A gathering and a ceremony was held to recognize and honour the installation.

CONGRATULATIONS

To all graduating JIBC students,

Congratulations to the Class of 2023! It is my pleasure to be with you and your loved ones to celebrate your achievements today.

Let me take this opportunity to express my pride in first responders and all public safety workers for their service. With our communities facing new and often unpredictable challenges, the work of public safety and justice professionals has never been more important.

As JIBC graduates, you will be the ones who “go beyond,” offering strength, compassion and hope to those who are vulnerable. The challenges you will face are multifaceted, from increased flood and fire risks due to climate change, to the impacts of the opioid crisis on our communities, to supporting an aging population and a strained healthcare system. As public safety and justice professionals, you will also experience firsthand the devastating impacts of Canada’s residential school system, systemic racism and genocide on First Nations Peoples. I call on all of you to commit to making lasting contributions to Truth and Reconciliation, both in your professional and personal lives.

Throughout your learning journey, you have not only gained knowledge, but you have also learned to navigate complex situations, make split-second decisions and support those in need. Exactly what your futures hold is unknown, but what I do know – and am grateful for – is that your selflessness and dedication has molded all of you into individuals who will make a positive difference in your communities.

Thank you for all you have done as students to prepare to join the ranks of the public safety professions. I wish you all the best in your future careers.

Kind regards,

A handwritten signature in black ink, appearing to read 'M. Tarko'.

HONORARY DEGREE RECIPIENT

(Doctor of Laws, honoris causa)

Karen Fry

The Justice Institute of British Columbia (JIBC) is pleased to present an honorary degree to Karen Fry, Vancouver's first female fire chief and general manager of Vancouver Fire Rescue Services.

Chief Karen Fry began her career in the fire service as a fire dispatcher with Nanaimo Fire Rescue. She worked her way up the ranks, both in Nanaimo and the City of Surrey, before being appointed as the fire chief for the City of Nanaimo in 2017. She has served in her current role with Vancouver Fire Rescue, the largest fire department led by a woman in Canada, since 2020 and

currently also serves as 1st Vice-President with the Fire Chiefs Association of B.C.

Through her leadership, fire safety improvements have included changes to legislation, and a program she co-developed on fire safety for building owners and managers. She introduced data analytics to many fire departments across British Columbia, which enables the leaders within these departments to explain their value to their respective communities.

Chief Fry is also known for her advocacy work on behalf of firefighters which has included fighting for priority COVID-19 vaccinations, seeking a higher level of medical training, and advocating for "right to know" legislation for workers, such as those exposed to hazardous substances. She is also a huge advocate for mental health and prevention of heart disease and cancers in the fire service. A passion for fire prevention led to her ordering the removal of encampments for fire safety concerns and advocating for provincial standards for single-room occupancy hotels.

Chief Fry holds a Bachelor of General Studies from Simon Fraser University, Fire Officer I and II certificates from JIBC, and a Workplace Mental Health Leadership Certificate from Queen's University.

HONORARY DEGREE RECIPIENT

(Doctor of Laws, honoris causa)

Phyllis Webstad

The Justice Institute of British Columbia (JIBC) is pleased to present an honorary degree to Phyllis Webstad, residential school Survivor and founder of Orange Shirt Day.

Phyllis Webstad has made profound contributions to public awareness and understanding of the residential school system and the advancement of Truth and Reconciliation.

Today, people across Canada and, increasingly in the United States and beyond, wear orange shirts to acknowledge the horrific Truths of the genocide committed through the country's

residential school system. But it all began as the childhood experience of one Survivor, Phyllis Webstad of the Stswecem'c Xgat'tem (Canoe Creek Dog Creek) First Nation. By sharing her own personal story, she spoke for thousands of Survivors and those who never made it home.

Webstad currently serves as ambassador for the Orange Shirt Society. She first told the story of how her new orange shirt, a gift from her grandmother, was taken from her on her first day at residential school as part of the St. Joseph Mission Residential School (1891-1981) [Commemoration Project](#) and Reunion in 2013.

Since then and thanks largely to Webstad's efforts, which have included publishing five children's books, the orange shirt has become a symbol of Truth and Reconciliation, a visible reminder of the residential school system along with the message that "Every Child Matters."

The educational movement highlighted by Webstad's story led to Sept. 30 being recognized as Orange Shirt Day, and eventually to the federal government establishing that day as the National Day for Truth and Reconciliation, which became a statutory holiday in B.C. in 2023. Learn more about Phyllis Webstad's important accomplishments [here](#).

Ms. Webstad has earned a diploma in business administration from the Nicola Valley Institute of Technology, and a diploma in accounting from Thompson Rivers University from which she also received its Distinguished Alumni Award. She is the recipient of an honorary doctorate from Ontario Tech University.

BOB HULL MEMORIAL AWARD

The Bob Hull Memorial Award recognizes academic achievement by the top graduating student and future law enforcement professional from the Law Enforcement Studies Diploma (LESD) program. The Award was established in memory of Bob Hull, former Deputy Director and Director of JIBC's Police Academy, who passed away in 2006. Hull served in the RCMP for 25 years before retiring as a Staff Sergeant.

“

It is a great honor to be selected for this award which will help me further my academic and professional career. I feel extremely fortunate to have had the opportunity to pursue this law enforcement program at JIBC, and the opportunity to continue my studies to achieve a Bachelor of Law Enforcement Studies. Although I have not yet been hired as a police officer, for me, JIBC marks the beginning of my career. Simply stated, for many years, law enforcement has been of great interest to me. I hope that I will do justice to this award in my future endeavours.

—Noah Skarsgard

The Justice Institute of British Columbia Foundation

Congratulations to today's graduates. We wish you all the best with the next stage of your careers.

Justice and public safety professionals are on the frontlines every day responding to events, big and small, that impact the public. To provide exceptional service, often in challenging circumstances, these personnel need exceptional education and training.

Many of today's graduates benefited from donor support while at JIBC – often without realizing. While some graduates received donor-funded awards and bursaries, many trained on equipment and with resources funded by donors.

By giving to The Justice Institute of British Columbia Foundation, donors help students pursue their goals and help JIBC provide the exceptional education and training that students need to be successful in their careers.
